Recent guidelines from the Centers for Disease Control offer hope that we will return to more normal ways of living soon. Since the beginning of the pandemic, we have been doing our best to keep people safe and healthy when they come to church. Pastors and Administrators are entrusted to make the best decisions possible for their parishes based on respective county risk levels and local circumstances. The Archdiocese does not ask them to check vaccination cards. We thank all of our pastors and lay leaders for their good work in navigating their communities. During these challenging times. Blessings to all as we celebrate Pentecost.”</p> |
