ANGELO: On June 30,2021, we received the news of Oregon reopening after the year-long pandemic. It was with joy to know that churches could now resume its services with no more capacity limitation. In line with this, Archbishop Sample wrote a letter effective July 16,2021 rescinding the dispensation to attend Holy Mass on Sundays and holy days of obligation. This means that those who are healthy are not exempt from the obligation to attend mass. However, if you are sick and still feel vulnerable around this time, you are still dispensed from attending mass in church. I ask you to continue attending the live-streamed masses of our parish and pray the act of spiritual communion.</p> <p>For those who are returning to our churches beginning this weekend, the community is excited to welcome you back. As we move forward from the pandemic, we hope to slowly go back to building a stronger parish community. We will soon start having socials after mass. I would encourage everyone to practice the honor system of wearing a mask. If you are fully vaccinated, mask is optional.</p> <p>I look forward to meeting more and more members of our parish in the coming weekends. I hope and pray that with God’s grace, we will emerge from this with deeper faith, renewed sense of appreciation for the little things and an authentic thirst and desire for communion with our Lord.</p>
