We are a loving, supportive, and vibrant Catholic community committed to being a welcoming parish family by spreading the Love of Jesus Christ throughout our community and into the world.

Message from Father Angelo

What is your hope for your parish community? This is one of the many questions I ask myself in this new assignment. In a nutshell, my response would be: A vibrant community where members of the community are actively involved in the life of the parish.

When I was a seminarian, I remember going to mass with a devout catholic family who invited me for the weekend in their home. While in church, the father and his two sons were greeters in the parish welcoming everyone as they walk in, and the mother with her daughter were eucharistic ministers. This is an ideal image of a vibrant community.

When we come to church, we are reminded that the Eucharist we celebrate unites us as one body of Christ and therefore, one family. The mass calls the faithful for a full, active and conscious participation. This means that as followers of Christ and proclaimers of the good news, we are invited to be fully immersed the life of the church.

My invitation to you is to pray and discern how God is calling you to be more involved in our parish. I hope and pray that coming out of this pandemic, we will have a renewed appreciation of the importance of being part of a bigger family of faith. May our hunger and thirst for Christ in the Eucharist, lead us to a more profound involvement in building God's kingdom.
